

Pil Sung Mr Hampton,

Thank you for your reply. I am saddened by your hypocrisy regarding this matter but certainly not surprised. You sat at Mr Cook's desk and asked for "RESPECT AS A SCHOOL OWNER" and wanted us not to deal directly with your students without going through you first. Isn't this exactly what you have done?

Mr Van Ekeren is currently a student in our school. (So was Mrs Welser in September when you had her ask us for her records to be transferred across without talking to us first) Whether you are aware of their

. This is not the first time a current student from our school has commenced training in Gordonvale recently.

Pil Sung Mr Hampton

Ms De Boom here. Sir, can you confirm whether you or any of the instructors in your school have had any conversation or contact with one of our students, Mr Kane Van Ekeren in the last few weeks, about training in your school without communicating with us or CKDI about it.
