

What is the International Alliance of Choi Professionals (the IACP)?

The International Alliance of Choi Professionals was formed in 2005 after Rod Cook, Stephen Kendall-Jones and some other guy with 3 students somewhere in Tasmania got kicked out of Choi Kwang Do Martial Art International for immoral, illegal and dishonest behavior. With Martial Arts School Owners from two countries who were trying to escape from debts they owed to an organization who made them what they were. The IACP has been called THE FUTURE OF CHOI KWANG-DO BASHING by all three member schools.

Who runs the IACP?

We are the only organization in the world that is run like an anarchy. Each year, the IACP has a Summit, or a Choi Kwang Do Bashing Series if you may, and the 3 Board Members vote each other in. EVERY decision made within the IACP is decided by a majority vote by the Board of Directors. We don't know yet how to explain who elects the board members. But, since we are yet to have a summit, we will worry about it then.

Why the name IACP? Will it always be this way?

Maybe, maybe not but then again who knows or cares. Since founding our alliance, we have noticed that many of you were confused since other organizations use the letters IACP. Don't confuse us with the following:

The International Association of Chiefs of Police (IACP)

The International Association of Culinary Professionals (IACP)

The International Association of Canine Professionals (IACP)

The International Academy of Compounding Pharmacists (IACP)

The International Association of Cognitive Psychotherapy (IACP)

The Irish Association for Counseling and Psychotherapy (IACP)

The International Alliance of Collaborative Professionals (IACP)

The International Association of Chinese Pathologists (IACP)

The Iowa Association of Community Providers (IACP)

The International Association of Cities and Ports (IACP)

The International Association of Chiropractic Physicians (IACP)

The Institute for the Advancement of Community Pharmacies (IACP)

The International Association of Chinese Planning (IACP)

The International Alliance of Coloured Persons (IACP)

For some reason, our arrogance (which got us booted out of Choi Kwang Do) blinded us to the fact that obviously we have not an original great idea.....

Who is on the Board of Directors?

The IACP is run as a hypothetical Martial Arts Alliance. We say that some members have asked to remain anonymous, but in fact there are no members other than Rod Cook, Stephen Kendall-Jones and that other dude from Tasmania. Therefore, we will just say that no-one will ever know of their membership with the IACP. Listed on the Board of Directors (those agreeing to display publicly their membership) are Senior Master Stephen Kendall-Jones from New Zealand who has now promoted himself to 6th Degree Choi Kwang Do, the other dude from Launceston (who is really a 1st Degree), Tasmania, Australia, and Kwanjangnim (or is it founder or is it master or is it Boosabumnim) Rod Cook who is only a 2nd Degree & Sabumnim Janelle De Boom both from Cairns, Queensland, Australia (from what we hear, something kinky was going on at midnight in the now closed-down Cairns location between our founder and Mrs. De Boom NO NO NO, disregard that: its is Choi Kwang Do Martial Art International Instructors who are immoral!!!!) These are the disclosed and only members of the Board.

What do I have to do to join the IACP?

Fill out our professionally designed application form, and if accepted (we do accept everyone.....), you will be asked to send/pay the prescribed fee to the IACP.

What is the prescribed fee for joining the IACP and what does it cover?

Even though we bash Choi Kwang Do for charging fees, the International Alliance of Choi Professionals charges a a yearly fee which covers the following:

.Membership to the IACP: be sure to buy a special frame for this soon to be collectors item

.Literature and Support Documentation/Ads from the IACP: professionally designed in Microsoft Word

.Online PDF files of Certificates to use in your school (GUP Rank, DAN Rank, Certifications, etc): don't forget to buy a good printer to make them look like genuine, credible certificates

.Access to the member network: our Choi Kwang Do bashing Newsletter will be emailed to you every year!

.The rights to use our beautifully designed logo (in English, Korean and Latin) and name (which is subject to change at any time) within your school(s).

How does Grading through the IACP work?

Like I said, since all of our thoughts are so original, we run the grading exactly the same as it does with CKDMAI. You train, you test, if you pass, you are upgraded. It doesn't matter what you learn in your school, Boosabumnim Cook has qualified himself to upgrade you. The IACP also allows testing remotely by video link, video tape, etc. Don't tell anyone but since you are the Judge & Jury in your own school(s), you don't really need the International Alliance of Choi Professionals. In fact, since you are in charge of upgrading yourself, you may do so up to 4th Degree Black Belt, as long as you never make yourself higher than our founder, Rod Cook.

Are my ranks Internationally Certified?

Yes, through the IACP. You could of course start your own International organization and say the same thing.

CKDMAI says that they do not recognise the ranks of IACP schools. What is the go?

How dare they not recognize the ranks of an organization which has no standards whatsoever! When push comes to shove, and when \$\$\$ are put on the table, CKDMAI always have their hand out. At the IACP, we are not in the martial arts business for money, even though we drive big cars, live in nice homes and martial arts is how we make our living. How dare a martial art genius such as Kwang Choi make a living from the martial arts.... At the IACP, WE SAY MAKING MONEY IS EVIL, BUT IT IS IN FACT THE ONLY THING WE CARE ABOUT!

What will I teach?

What would you like to teach? Exactly the same as you have been teaching? Something modified off that? Something completely different? At one of our schools, the instructor teaches cooking, at another pilates and at yet another computer programming. It doesn't really matter as long as we receive your yearly check and collect your money.

My students have expressed interest in WEAPONS & GROUND WORK. What do I do?

Teach them. At the IACP, we believe that going back to teaching weapons and ground work will lose you many students but who cares. Remember, first learn yourself, or get someone in to help. What you teach, is up to you. You are the Captain of your own ship, the Creator and Founder of your own destiny. Just remember: when your school closes down, don't call us.

Some of my students like the CKDMAI curriculum, other find it boring, what shall I do?

Once again, you are the Creator & Founder of your own destiny. Everyone is qualified to be a founder of a martial art! You will be in the same league as Kwang Choi and Boosabumnim Rod.

I own a School, but I am not an Examiner yet. Who tests my students?

You are instantly promoted to Examiner in the IACP. We have no standards! Or, you could choose to invite someone else who has appointed himself as examiner, but is it you who knows the limits and achievements of your students and it is you who should collect the money from the grading. Don't you know it's bad to have your students pay a stranger to grade them?

How much does it cost through the IACP for Student Membership?

Nothing. If you charge it, you keep the fee. Our double standard is as follows: If a reputable organization such as CKDMAI charges a membership fee, they are evil, money sucking leaches but if you (e.g. a 1st Degree Pretty Boy Tasmanian Devil) charges the fee and keeps it, that is perfectly fine. Your students don't ever need to know that they are a member in a NON organisation.

How much does it cost through the IACP for GUP Belt Rank Certification?

Nothing. If you charge it, you keep the fee. Again, if CKDMAI charges it, they are bloodsuckers

How much does it cost through the IACP for Assistant Instructor Certification?

Nothing. If you charge it, you keep the fee. Again, if CKDMAI charges it, they are bloodsuckers

How much does it cost through the IACP for Head Instructor Certification?

Nothing. If you charge it, you keep the fee. Again, if CKDMAI charges it, they are

bloodsuckers

How much does it cost through the IACP for Chief Instructor Certification?

Nothing. If you charge it, you keep the fee. Again, if CKDMAI charges it, they are bloodsuckers

How much does it cost through the IACP for Master Instructor Certification?

Nothing. If you charge it, you keep the fee. You may promote yourself to Master, even if you are currently 1st Degree.

How much does it cost through the IACP for Regional Director Certification?

Nothing. If you charge it, you keep the fee. Again, if CKDMAI charges it, they are bloodsuckers

How much does it cost through the IACP to have Board Member Certification?

Again, if CKDMAI charges it, they are bloodsuckers

How much does it cost through the IACP for Assistant Examiner Certification?

Nothing. If you charge it, you keep the fee. Again, if CKDMAI charges it, they are bloodsuckers

How much does it cost through the IACP for Associate Examiner Certification?

Nothing. If you charge it, you keep the fee. Again, if CKDMAI charges it, they are bloodsuckers

How much does it cost through the IACP for Examiner Certification?

Nothing. If you charge it, you keep the fee. Again, if CKDMAI charges it, they are bloodsuckers

Are there any other fees associated with the IACP?

No. The yearly fee is not considered a fee

What about Uniforms & Logos? Is there a standard?

No. Each country is different (finally, we have a revolutionary thought). Never mind that the word uniform means "always the same" Imagine this: Those living in Iceland (where the IACP has no schools) being directed to wear exactly the same as those living in the Bahamas (where the IACP has no schools). Each school is individual, and as such, you are in control of the uniform standard at your school. Some IACP schools use EXACTLY the same colours and schemes as CKDMAI schools (since they can't think for themselves). Others completely different uniforms and colours. Some even allow the girls to wear bikinis. Some have Winter and Summer Uniforms, some wear tank tops and underwear. Whatever you want to wear it is up to you. Train naked for all we care. At the IACP, there are no quality standard. In fact, there are no standards.

Do I need to have the IACP logo on my uniform, and on my students uniforms?

No. You can have it on, or leave it off. It is up to you. In fact, none of our three member schools have the IACP logo on our uniform for fear of ridicule.

I have a full-time school. Do I need to display the IACP logo outside?

No. You can have it on, or leave it off. It is up to you. You can hang up a McDonalds sign if you wish.

What are Pressure Points?

Come to an IACP Summit. You will quickly find out as you will be the only one showing up! Founder Cook and Sabumnim De Boom will thoroughly demonstrate in your hotel room

What are Kali Sticks?

Stop with the dumb questions! You don't need for the IACP to answer this question. Just contact your Martial Arts supplier. They can sell you some. They will make money from selling you some but the only organisation that is evil for making money in martial arts is CKDMAI. Or, come to an IACP Summit and we will sell you some.

Are the Summits and Seminars the same as the ones that Kwang Jo Choi does?

No. A martial arts genius such as Kwang Jo Choi teaches Block, Punch & Kick, pretty much the same at EVERY single seminar. Even though our founder, Rod Cook, has only been to two of his seminars, he knows this. IACP Summits are designed to teach you. All three attendees learn at the IACP Summits (which we are yet to have).

Can we convert our Taekwondo or Karate School over to the IACP?

Certainly. We accept everyone and everything. Unlike CKDMAI, we have no standards.

What is the Summary Cost Comparison (All in Australian Dollars)? For some reason, is a different amount.

A CKDMAI school of 100 students (\$1750.00 membership), each testing every 2 months (\$ 10,500), and staying for a year + 1 Chief Instructor costs (at least \$17.50) GRAND TOTAL \$ 12267.50.

An IACP school of 100 students (\$ 0.00 membership), each testing every 2 months (\$ 0.00), and staying for a year + 1 Chief Instructor costs (\$US100.00) GRAND TOTAL \$US100. In fact, our plan for the future is that WE pay YOU to become a member school Which school is more profitable, and which school is more business savvy?
