

KP: Did you know that I got a price on Caroline's head?

RC: What does that mean?

KP: I'm so pissed with her and that kid of hers, I got a price to get rid of her.

RC: What does "get rid of her" mean?

KP: For about \$2.5K I can have her dumped in the Inlet wearing Concrete boots.

RC: You're serious?

KP: Yes, and when the kid of hers turns 18, he's going down as well.

RC: Why?

KP: Because once, he yanked Liam's arm, almost out of his socket.

RC: And so, years later, you're going to get him back?

KP: I'm waiting for the day.

RC: So you're planning on having Caroline knocked off?

KP: I got a price and know how much it will cost to get my boys back.
